
Mark Suvero Dreambook Barré François

m s : on violence, forgiveness, and politics, d to ... - françois barré's closing essay, "mark di suvero, or the era of build-ers," relates the artist's strengths: "courage, risk-taking, momentum, tension, the play of weight and grace in the imperceptible animation of steel, all this gives mark di suvero's sculptures a perilous and paradoxical lightness...they interact with the sky and are anchored in the earth." the book is ...
